### Editorial Review

#### Review

'The book was first published in 1958, and there is a 'period' (maybe a black-and- white movie) feel to the dialogue and context. But in no way can it be said to be dated. The characters are as fresh as when they were first created, the tension high, and the cross- examinations and legal chicanery full of suspense. The novel is simply what it says on the cover. A classic.'TANGLED WEB
