**Bone in the Throat** By Anthony Bourdain

When up-and-coming chef Tommy Pagana settles for a less than glamorous stint at his uncle's restaurant in Manhattan's Little Italy, he unwittingly finds himself a partner in big-time crime. And when the mob decides to use the kitchen for a murder, nothing Tommy learned in cooking school has prepared him for what happens next. With the FBI on one side, and his eccentric wise guy superiors on the other, Tommy has to struggle to do right by his conscience, and to avoid getting killed in the meantime.

In the vein of *Prizzi's Honor*, *Bone in the Throat* is a thrilling Mafia caper laced with entertaining characters and wry humor. This first novel is a must-have for fans of Anthony Bourdain's nonfiction.

"A prodigiously self-assured first novel. . . the author's comic vision goes beyond original. It is deliciously depraved." -*The New York Times Book Review*

### Editorial Review

From Publishers Weekly

First-time author Bourdain presents a savory portion of gangster tartare spiced with salty mobspeak, coked-up chefs, wild entrepreneurs and foul-mouthed feds, served up in the colorful ambience of Manhattan's Little Italy. The FBI is using a former dentist to open and run a restaurant in a sting operation designed to catch 280-pound loan shark "Sally Wig" Patera-a crazed mafioso assigned to do the Don's dirty work. The deluded dentist thinks he really runs the Dreadnaught Grill and blows FBI cash on dumb marketing schemes instead of paying Sally's dues and vig. Meanwhile, Sally's nephew, Tommy Pagano, sous chef at the Dreadnaught, who loathes both his uncle and mob life, still feels loyal to the Family and so gives Sally after-hours use of the kitchen to "talk some business." But Tommy isn't happy when Sally and Skinny di Milito-who strips naked before his hits to cut down on blood-spatter cleanup-kill a fellow mobster and cut up the body with the chef's knife. Though the FBI pressures Tommy hard to sell out his uncle, he stays loyal, at least until the restaurant, the chef and his cooking career are threatened by Sally and Skinny, pushing him into unexpected action. The cast of this dark-humored, street-smart novel romps through Greenwich Village and Little Italy on a testosterone high in a perfect sendup of macho mobsters and feebs alike, while the kitchen antics reveal a real love for-and knowledge of-cooking, including a mouth-watering recipe for Portuguese Seafood Chowder, complete with squid, lobster, swordfish and cherrystone clams. Major ad/promo.

From [Booklist](#)

Bourdain's tongue-in-cheek wiseguy novel features an up-and-coming young chef who owes his position in a New York restaurant to his uncle, a Mob collector^hit man who has loaned a considerable sum to the restaurant owner. Mobster Sal the Wig and Tommy, the sous-chef, are both unaware that state and federal agents have set up the owner, Harvey, as a plant to uncover extortion, murder, and whatever other criminal activities occur in Harvey's presence or the eaterie. The combination of fine food and sordid slayings makes an irresistible novel, but perhaps not one to savor while dining. *Denise Perry Donavin*

Review

"A prodigiously self-assured first novel... the author's comic vision goes beyond original. It is deliciously depraved." -- *The New York Times Book Review*

### Users Review

From reader reviews:

**Linda McGrane:**
