Dragon's Treasure (Dragons Awaken) (Volume 1) By Maya Starling

"She was the girl who longed for the freedom of the dragon, and he was the dragon who longed to be a man."

A heroine reclaiming her fate. A dragon with a secret. A prince on a quest. Olivia flees to the forest seeking freedom from her family's demands. She finds refuge in a cave, only to discover it is a dragon's lair.

The dragon, Kaden, is not the monster she first thinks him to be. After overcoming her initial fright - of not being eaten - Olivia discovers that the dragon has a gentle heart.

Kaden is resigned to loneliness after centuries of wandering the lands. Meeting Olivia brings joy to his solitary life, and never has he dreamed that a young woman would be the one to start the change in him.

A storm brews on the horizon.

A prince with a handsome face and a cruel heart is on a quest to slay the dragon, and take the throne. He will do whatever it takes to have what he believes is his to own. And now, he has his eyes set on the pretty little maiden from the forest. He will make her his Queen, whether she wants it or not.

Editorial Review

About the Author

Maya Starling is a writer, a geek, an animal lover and a gamer. She has lived the life of a magus, an oracle, a goth mortician, a star wars rebel. She has led many lives, sitting at a table, and rolling those dice away. In reality, she lives with her wife and their adorable little boy, and of course two rescue cats, in a small country of Croatia. Reading and writing are her passion, so you will often find her typing away a new novel or a new short story, or eyes glued to the screen of her phone or a page of a book.
