Editorial Review

Review

Change drives business today; it is the only constant. Unfortunately, the processes that businesses use are decades old and built for a time that was much more predictive. This is the first book to define a practical, rigorous yet adaptive solution for addressing rapid change in projects. --**Todd C. Williams**, President, eCameron, Inc.

Effective Complex Project Management is packed with insightful guidance on delivering strategically meaningful business value in complex, time-sensitive, change-driven project environments. Blending innovative adaptations with a wide range of proven project techniques, Robert Wysocki clearly illustrates how to skillfully craft project approaches designed to fit your unique competitive landscape. This is a must read for project managers of all experience levels who want to be recognized as enablers of the business strategy of their organization. --**Brenda K. Gillingham**, MBA, PMP, CSM Principal Program Manager, Change Consultant, and Instructor
