Emanuel Lasker: Second World Chess Champion (World Chess Champions) By Isaak Linder, Vladimir Linder

The ChessCafe World Chess Champions Series Emanuel Lasker was a great chess fighter, thinker and researcher. He was possessed of gigantic playing strength, retaining the title of World's Number One Chessplayer for 27(!) years. Even after losing his crown, he kept his ability for a long time, as shown by his victories and prize-winning finishes in immensely powerful international tournaments when he was 54 (Moravská-Ostrava 1923), 55 (New York 1924), 56 (Moscow 1925), and even at 66 (Moscow 1935)! One of the chief postulates of the Second World Champion was the battle of honor. On the chessboard, lies and dishonesty have no place. These words of Lasker could serve, even today, as an example to every young chessplayer of how to relate to the Great Game. Emanuel Lasker was the first in history to achieve a universal style. This was a Style of the Future, which is why the Second World Champion would not be understood by many of his contemporaries, who believed that he had no style at all. Lasker's games of chess, like his entire chess legacy, will live forever! Join Russian chess historians Isaak and Vladimir Linder as they take you on a journey exploring the life and games of the great world champion Emanuel Lasker.

Users Review

From reader reviews:

Paul Howard:

Information is provisions for people to get better life, information these days can get by anyone on everywhere. The information can be a information or any news even a concern. What people must be consider if those information which is inside former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you have the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Emanuel Lasker: Second World Chess Champion (World Chess Champions) as the daily resource information.

Bryan Rodriguez:

Why? Because this Emanuel Lasker: Second World Chess Champion (World Chess Champions) is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret it inside. Reading this book close to it was fantastic author who all write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book have such as help improving your proficiency and your critical thinking approach. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.

Joyce Burke:

In this era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become one of it? It is just simple method to have that. What you have to do is just spending your time not very much but quite enough to possess a look at some books. One of the books in the top list in your reading list is usually Emanuel Lasker: Second World Chess Champion (World Chess Champions). This book which can be qualified as The Hungry Mountains can get you closer in getting precious person. By looking right up and review this publication you can get many advantages.

Tommy Bowles:

As we know that book is important thing to add our know-how for everything. By a publication we can know everything we wish. A book is a set of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This book Emanuel Lasker: Second World Chess Champion (World Chess Champions) was filled about science. Spend your free time to add your knowledge about your science competence. Some people has various feel when they reading any book. If you know how big selling point of a book, you can truly feel enjoy to read a book. In the modern era like now, many ways to get book that you simply wanted.
