#### **ALL THE RIGHT NOTES...**

Gillian Forrester spent most of her life running from who and what she came from. Until Miles came along. From the moment she held the tiny newborn her older sister didn't want, Gillian stopped running and began to build a life for herself and her adopted son. Now, thirteen years later, as Gillian's sister lay dying, she reveals the father's identity and makes Gillian promise to find him.

Adrian Brown is the epitome of the successful rock star. He's seen and done it all, with few regrets. It takes a lot to shock him--but the bombshell that he has a thirteen-year-old son rocks his world. And Adrian is even more surprised when the buttoned-up, elegant woman who's raising Miles snags his erotic and romantic attention.

The last thing Gillian expected was to find herself getting hot and heavy with a person like Adrian. But as much as she wants to open up and give herself fully to this amazing man, she's afraid the secrets of her past and Adrian's problems with trusting people may keep them apart for good. If love isn't enough can they find the trust they need?
