## **Editorial Review**

### **About the Author**

**Professor Keryn Chalmers**, BCom, Grad Dipl, PhD, joined Monash University, Department of Accounting and Finance, in 2003. For 15 years prior to this she was with the School of Accounting and Finance at Victoria University. Her teaching responsibilities at the undergraduate and postgraduate levels have primarily been in financial accounting and financial analysis. Keryn is an active researcher in the financial accounting and financial reporting area, specifically in relation to accounting policy and disclosure choices of management.

**Lorena Mitrione**, BCom, MBus, CPA, joined Monash University, Department of Accounting and Finance, in 2009 as a lecturer. For 12 years prior to this, she worked at CPA Australia. Since 2001 she was the CPA Program Manager responsible for the development and maintenance of CPA Program materials and examinations. In this role Lorena developed a sound sense of the requirements for accounting learning materials while maintaining an up-to-date knowledge of accounting standards, accounting research, technical accounting matters and business practices.

**Susana Lai-Mei Yuen**, PhD, MSc, MBA, CPA(Aus), FCCA, ACIS, is an Associate Professor in the School of Accounting and Finance, The Hong Kong Polytechnic University, Hong Kong. She was a lecturer in the School of Accountancy at the Queensland University of Technology for 8 years before she returned to Hong Kong. Her teaching areas are cost and management accounting and her research interests are in cultural and behavioural issues in accounting, performance measurement, and the impact of management accounting on the organisational life cycle and strategic management of the business.

**Michelle Fyfe**, BCom Hon, BBus, CA, is a corporate accountant for a top 100 listed Australian company working in the corporate division producing external financial reports. Prior to this she worked as a lecturer at Monash University, Department of Accounting and Finance. She has also had extensive working experience in chartered firms and industry within Australia and the United Kingdom. Michelle also ran a consultancy business for 2 years helping small businesses develop accounting systems and deal with current taxation regulations.

## **Users Review**

### **From reader reviews:**

#### **Marie Guinn:**

Book is usually written, printed, or created for everything. You can know everything you want by a guide. Book has a different type. We all know that that book is important point to bring us around the world. Beside that you can your reading expertise was fluently. A book Principles of Accounting will make you to be smarter. You can feel a lot more confidence if you can know about anything. But some of you think that will open or reading a book make you bored. It isn't make you fun. Why they are often thought like that? Have you trying to find best book or ideal book with you?

**James Hopwood:**

Do you among people who can't read gratifying if the sentence chained in the straightway, hold on guys this aren't like that. This Principles of Accounting book is readable by you who hate the straight word style. You will find the information here are arrange for enjoyable looking at experience without leaving even decrease the knowledge that want to supply to you. The writer connected with Principles of Accounting content conveys the thought easily to understand by a lot of people. The printed and e-book are not different in the content but it just different in the form of it. So , do you continue to thinking Principles of Accounting is not loveable to be your top record reading book?

**Jerry Rivera:**

Do you one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Make an effort to pick one book that you just dont know the inside because don't ascertain book by its handle may doesn't work this is difficult job because you are afraid that the inside maybe not as fantastic as in the outside seem likes. Maybe you answer might be Principles of Accounting why because the great cover that make you consider about the content will not disappoint you. The inside or content is actually fantastic as the outside or maybe cover. Your reading sixth sense will directly show you to pick up this book.

**Helen Hanson:**

This Principles of Accounting is completely new way for you who has intense curiosity to look for some information as it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Principles of Accounting can be the light food to suit your needs because the information inside this book is easy to get by means of anyone. These books build itself in the form which is reachable by anyone, yes I mean in the e-book type. People who think that in e-book form make them feel tired even dizzy this book is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for you actually. So , don't miss this! Just read this e-book type for your better life along with knowledge.
