Shadow of a Dark Queen (Serpentwar Saga Book 1) By Raymond E. Feist

“An epic reading experience.”<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

—*San Diego Union-Tribune*

Acclaimed, *New York Times* bestselling fantasist Raymond E. Feist gets his masterful Serpentwar Saga off to a spectacular start with *Shadow of a Dark Queen*. Feist’s classic epic fantasy adventure returns readers to ever-imperiled Midkemia, a breathtaking, richly imagined realm of magic and intrigue, where two unlikely heroes must rally the forces of the land to stand firm against a malevolent race of monsters intent upon conquest and annihilation. *Locus* magazine calls *Shadow of a Dark Queen*, “the place to start for those yet to discover Feist’s fantasy worlds.” For fans of Terry Goodkind, George R. R. Martin, and Terry Brooks—and for anyone not already in the thrall of this astonishing author’s literary magic—that is excellent advice indeed.

Editorial Review

From Publishers Weekly

A dark and alien peril casts an lengthening shadow over Midkemia as another Riftworld saga begins almost a generation after the events in *The King's Buccaneer*. Erik von Darkmoor, bastard son of the local baron, flees to the city of Krondor after accidentally killing his legitimate and sadistic half-brother. Condemned to death, Eric and his childhood friend, Rupert (Roo) Avery, are provisionally spared to serve in a desperate mission against the reptilian Pantathians, who plan to conquer Midkemia and bring back their goddess, Alma-Lodaka, one of the ancient Dragon Lords. The boys undergo brutal training and join others of their kind under the half-elf Calis, known as the Eagle of Krondor, in a bid to pass as mercenaries in the continent of Novindus, current battle center for the Pantathians and their reluctant allies, the also-reptilian Saaur. A sensitive coming-of-age tale in which brutality and camaraderie are equally present, Feist's newest saga has a freshness of vision that suggests it will avoid the staleness that often eats away at multivolume epics. Author tour.

From Library Journal

In the first volume of the "Serpent War Saga," the best-selling author of the "Riftwar Saga" introduces a new twist to an old setting. The planets Kelewan and Midkemia, central to the Riftwar novels, are home to a pair of unlikely heroes who must fight an evil race of serpents.

Copyright 1994 Reed Business Information, Inc.

From Booklist

Feist returns to the well-executed, popular universe of his Riftwar Saga to begin a new series, the Serpent War Saga. The two main characters are literally a couple of bastards, one a nobleman's get named Erik and the other a commoner's by-blow named Roo. They find themselves called (perhaps dragged would be the better term) into a deadly conflict against a race of sorcerous serpents that menace everything and anything. The plot is classic, the characters are tolerably well drawn reluctant heroes, the command of language is very respectable, and the entire volume is likely to appeal to fans of Eddings, Duncan, and other skilled classic fantasists as well as to Feist's. *Roland Green*

Users Review

From reader reviews:

Antione Wilson:

Here thing why that Shadow of a Dark Queen (Serpentwar Saga Book 1) are different and reputable to be yours. First of all looking at a book is good however it depends in the content than it which is the content is as yummy as food or not.
