## **Editorial Review**

### **Amazon.com Review**

Don't read this fabulous book in public unless you're prepared to weep in front of strangers. Amelia Carson is a mail-order bride. She has come to Texas to marry Dallas, the ranch owner she has corresponded with for a year. But a broken leg (and fate) requires Dallas to send his brother, Houston, to meet Amelia in his place. Physically and emotionally scarred by the war, Houston doesn't believe he will ever find love. When he falls in love with his brother's betrothed, he never expects her to return his feelings. Together they discover that without honor, love is meaningless.

### **From Library Journal**

Mail-order bride Amelia Carson expects her future husband, Dallas Leigh, to meet her when she gets off the train in Fort Worth. However, a broken leg prevents him from traveling, so the job of escorting her falls to his brother, Houston. Women are scarce, but Houston, who had lost an eye and was badly scarred during the Civil War, should pose no romantic threat. Soon Houston realizes that he can't watch his brother marry the woman he has come to love. The author writes directly and movingly about the shattering effect the Civil War has on three of its survivors. With its superb levels of characterization and poignantly satisfying plot, this is a book readers will treasure. Heath (Always To Remember, Jove, 1996, a 1997 Rita nominee for Short Historical) lives in Plano, Texas.

### **From reader reviews:**

#### **Inez Morales:**

What do you think of book? It is just for students as they are still students or the idea for all people in the world, what best subject for that? Only you can be answered for that issue above. Every person has various personality and hobby for each and every other. Don't to be pressured someone or something that they don't desire do that. You must know how great in addition to important the book Texas Destiny (Texas Trilogy). All type of book are you able to see on many sources. You can look for the internet solutions or other social media.

#### **Irma Patterson:**

A lot of people always spent their own free time to vacation or perhaps go to the outside with them family or their friend. Are you aware? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read a book. It is really fun for yourself. If you enjoy the book that you simply read you can spent the entire day to reading a guide. The book Texas Destiny (Texas Trilogy) it is quite good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. In the event you did not have enough space to create this book you can buy the e-book. You can m0ore very easily to read this book from your smart phone. The price is not to fund but this book has high quality.

**Carol Ton:**

As we know that book is vital thing to add our understanding for everything. By a guide we can know everything we would like. A book is a pair of written, printed, illustrated as well as blank sheet. Every year ended up being exactly added. This guide Texas Destiny (Texas Trilogy) was filled in relation to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has several feel when they reading a book. If you know how big benefit from a book, you can experience enjoy to read a publication. In the modern era like currently, many ways to get book you wanted.

**Hugo Carter:**

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just minor students that has reading's soul or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Texas Destiny (Texas Trilogy) can make you really feel more interested to read.
