**Capitalism: A Ghost Story** By Arundhati Roy

From the poisoned rivers, barren wells, and clear-cut forests, to the hundreds of thousands of farmers who have committed suicide to escape punishing debt, to the hundreds of millions of people who live on less than two dollars a day, there are ghosts nearly everywhere you look in India. India is a nation of 1.2 billion, but the country's 100 richest people own assets equivalent to one-fourth of India's gross domestic product.

*Capitalism: A Ghost Story* examines the dark side of democracy in contemporary India, and shows how the demands of globalized capitalism has subjugated billions of people to the highest and most intense forms of racism and exploitation.

### Editorial Review

#### From [Booklist](#)

Courageous and clarion Roy (Walking with the Comrades, 2011) continues her analysis and documentation of the disastrous consequences of unchecked global capitalism. She investigates India's "Gush Up" capitalism and how it is reinforcing a caste system that benefits the elite while wreaking cruel havoc on the greater population and the country's invaluable natural resources. Roy reports on collusion between New Delhi and multinational corporations that results in the corruption and dysfunction of local governments and brutal initiatives, disguised as security measures, in which people are forced off their land to make way for highways, airports, dams, mines, and factories. While violence is used against the poor, the middle class is covertly coerced by way of what Roy calls the "exquisite art of Corporate Philanthropy." She cites eye-opening examples of how the support by well-established international foundations of admirable cultural projects and NGOs also insidiously engenders privatization and the infiltration of grass-roots movements against corporate pillaging. As Roy observes, "The algebra of infinite injustice works in mysterious ways." Precise and revelatory, Roy gives us an awful lot to think about. --Donna Seaman

#### Review

*Capitalism* feels like straight reportage from the front lines of a war. In every part of the world, the rich few keep getting richer on the backs of a population that continues to work harder and grow poorer for it. And Roy keeps sending these furious, intelligent bulletins to alert us to what's going on. More people than ever are listening to her." —***The Stranger***

#### Praise for Arundhati Roy's *Field Notes on Democracy*:

"Gorgeously wrought . . . pitch-perfect prose. . . . In language of terrible beauty, she takes India's everyday tragedies and reminds us to be outraged all over again." —***Time***

"In her searing account, Roy asks whether our shriveled forms of democracy will be 'the endgame of the human race'—and shows vividly why this is a prospect not to be lightly dismissed." —**Noam Chomsky**

"The scale of what Roy surveys is staggering. Her pointed indictment is devastating." —**The New York Times Book Review**

"An electrifying political essayist... So fluent is her prose, so keen her understanding of global politics, and so resonant her objections to nuclear weapons, assaults against the environment, and the endless suffering of the poor that her essays are as uplifting as they are galvanizing." —***Booklist***

#### About the Author

**Arundhati Roy** studied architecture in New Delhi, where she now lives. She is the author of the novel *The God of Small Things*, for which she received the 1997 Booker Prize. The novel has been translated into forty languages worldwide. She has written several non-fiction books, including *Field Notes on Democracy: Listening to Grasshoppers* and *Capitalism: A Ghost Story*, published by Haymarket Books.

## Users Review

### From reader reviews:

#### Rosemarie Cleveland:

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite publication and reading a e-book. Beside you can solve your condition; you can add your knowledge by the book entitled Capitalism: A Ghost Story. Try to make the book Capitalism: A Ghost Story as your pal. You already know beside you can spend your time with the favorite's book, you can smarter than before. Do you agree with it has the opinion or you have other opinion?

#### Brian Hill:

Book is usually written, printed, or descriptive for everything. You can realize everything you want by a reserve. Book has a different type. As we know that book is important point to bring us around the world. Beside that you can your reading proficiency was fluently. A e-book Capitalism: A Ghost Story will make you to be smarter. You can feel more confidence if you can know about every thing. But some of you think in which open or reading the book make you bored. It's not make you fun. Why they are often thought like that? Have you in search of best book or suited book with you?

#### Helene Anderson:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Capitalism: A Ghost Story can make you experience more interested to read.
