Daddy: Collected Poems By Christopher Lee

Christopher Lee's "Daddy: Collected Poems" retells books of the Bible with a fetish twist. Poems in this collection combine sacred scripture, erotica, and the Dad/son trope to affirm gay sex and sexuality. Meant as a metaphor, the terms of "Dad" and "son" are used to reflect deep, intimate love between all men and do not denote biological relations. In spite of many legal and religious milestones in gay rights gained from the prior century and this one, it remains hard to reconcile sexuality with religion. Far too many LGBT youth are still bullied, left homeless, and exiled from the same "supposedly loving" religious and familial communities that are supposed to take care of them. While there are many strides for which we should celebrate, there is much work to be done for tearing down walls, built of ignorance, fear, and abhorrence. The place of this book does not exist in any one city, or if it does, it remains a well-guarded secret. Instead, this book contributes to a gay mythology, a place where both men-who-sleep-with-men and gay men can express love for each other with genuine desire, admiration, and boasting. Its physical location may be "created," but through the book's verses, male bonding and the familiar devotion of male same-sex lovers is described with sincerity and truth.

Editorial Review

About the Author

Christopher Lee writes, lives, and breathes gay erotica. From Tom of Finland to Tom Bianchi, Derek Adams to Evan J. Xavier, Lee can't help reading and admiring the male form in all of its artistic manifestations. Growing up in a small southern town, he developed stories around the men in his community, cutting out pictures of men in clothing magazines and "borrowed books" from a family member's library. These cut-outs became the basis for his earliest fantasies when he was an adolescent and, to this day, inspire his writing. Lee has been published in Handjobs Magazine and Go Naked Magazine. His work explores the "Dad-son lifestyle/fetish" and aims to construct a gay mythology. When he is not writing erotica, he appreciates history, art, and movies.

Users Review

From reader reviews:

Jose Campbell:

In other case, little men and women like to read book Daddy: Collected Poems. You can choose the best book if you want reading a book. So long as we know about how is important some sort of book Daddy: Collected Poems. You can add know-how and of course you can around the world by the book.
