La utopia arcaica / The Archaic Utopia (Biblioteca Mario Vargas Llosa / Mario Vargas Llosa Library) (Spanish Edition) By Mario Vargas Llosa

A cross between history, biography and literary critique, *La utopia arcaica* is a fresco of Peru's historical context as well as an account of Arguedas's life, an explanation of his work and an attempt to describe the immolation of a literary genius for ethical and political reasons. An anthropologist, scholar and intellectual militant, Peruvian novelist Jose Maria Arguedas was considered one of the foremost figures of the Indigenista Movement in Latin America and a committed revolutionary.

Spanish Description:

En *La utopia arcaica*, Mario Vargas Llosa nos acerca a la figura del novelista peruano Jose Maria Arguedas, una de las mas importantes del movimiento indigenista latinoamericano, un escritor conocido por su compromiso revolucionario.

Antropologo, universitario e intelectual militante, Arguedas fue un hombre bueno y un buen escritor, pero hubiera podido serlo mas si, por su sensibilidad extrema, su generosidad, su ingenuidad y su confusion ideologica, no hubiera cedido a la presion politica del medio academico e intelectual en el que se movia para que, renunciando a su vocacion natural hacia la ensonacion, la memoria privada y el lirismo, hiciera literatura social, indigenista y revolucionaria, como afirma el propio Vargas Llosa.

Cruce entre la biografia, la historia y la critica literaria, *La utopia arcaica* dibuja un fresco del contexto historico del pais, resena la vida de Arguedas, matiza sus libros y trata de describir la inmolacion de un talento literario por razones eticas y politicas.
