Nuclear Jellyfish: A Novel (Serge Storms series Book 11) By Tim Dorsey

“Dorsey’s brilliantly, profanely funny 11th novel...zips along like P.G. Wodehouse’s best work.”

—<?xml:namespace prefix = st1 ns = "urn:schemas-microsoft-com:office:smarttags" />*Richmond Times-Dispatch*<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

Tim Dorsey’s outrageously zany, gleefully violent, and uproariously funny *Nuclear Jellyfish* marks the triumphant return of lovable, thrill-killing Florida historian and tireless civic booster Serge A. Storms. The bestselling author of *Atomic Lobster*, *Triggerfish Twist*, and *Florida Roadkill*, Dorsey can match Carl Hiaasen punch-for-punch when it comes to fictionally depicting Sunshine State madness—and he’s taken his rightful place alongside Christopher Moore in the pantheon of top American humorists. *Nuclear Jellyfish* is a veritable WMD of radioactive hilarity—as Denver’s *Rocky Mountain News* so aptly puts it, “It doesn’t get any better.”

Editorial Review

From Publishers Weekly

Fasten your seatbelts: Serge A. Storms, Florida's manic tour and history guide as well as its most inventive and prolific serial killer, cruises at warp(ed) speed through bestseller Dorsey's 11th thriller (after *Atomic Lobster*). Serge's primary target is a tattooed thug called Jellyfish (behind his back) or Eel (to his face), whose gang rips off diamond couriers. But along the frantic way, Serge and his pal, the always-buzzed Coleman, remove a variety of societal pests, including skinheads beating a homeless man, auto repair shysters preying on tourists and bargain motels that don't deliver on their bargains. Serge's instruments of vengeance include garden hoses, pigs, aerosol sprays and lots of duct tape. Dorsey's inspired insanity certainly won't appeal to everyone, but Serge's antics give vicarious satisfaction to those who too often see misdeeds go unpunished. In short, Serge continues to pummel convention and evildoers with exuberant abandon and wit. *9-city author tour. (Feb.)*

Hewing to the basic formula established in 10 previous novels, Dorsey has his irrepressible Florida-lover and psychopath Serge Storms off his meds and on the road in a two-tone 1971 AMC Javelin. Obsession, compulsion, odd bits of Florida trivia, dumb criminals, and inventive ways to execute dumb criminals ensue, from Jacksonville to Miami. (Serge finds inspiration for his novel executions at Home Depot.) Throw in a beautiful, dangerous stripper; Serge's drug-addled sidekick, Coleman; dumb but murderous jewel thieves; and Serge's longtime nemesis, Agent Mahoney (also off his meds and trying to protect Serge from a contract hit), and you have a plot that even Serge's beloved duct tape can't quite hold together. But the charm of Dorsey's novels has never really been about plot. It's in the belly laughs, the eccentric bits of local folklore, the manic energy, and the hothouse Florida madness Dorsey churns out so reliably. --Thomas Gaughan

From the Back Cover

Just when you thought it was safe to go online . . . Serge has returned!

That loveable collector of trivia, souvenirs, and murder methods is back with a new A?Tour of Florida. And this time he's out to set the record straight!

Serge is upset that his beloved state isn't getting its proper recognition, so he signs on with the big Internet travel services. But his new employers aren't exactly sure they want to send their customers to Serge's favorite haunts—nor do they want to provide tips on how to keep from getting killed on vacation.

Serge couldn't disagree more, and he sets up his own wildcat site, hyper?blogging his way down the coast with his perpetually hammered sidekick, Coleman.

Unfortunately Serge's Web presence catches the attention of his nemesis, Agent Mahoney, and the chase is on.

Meanwhile, professional robbery crews have begun targeting trade show exhibitors, who may or may not be what they seem. Bodies begin piling up, which is less than usual for the locale—except this time it involves

rare postcards. Serge has had enough! He's forced into the only logical course of action—go shopping at the Home Depot.

And this only raises more questions:

Who is tutoring strippers through the community college?

What sparked the grudge match between coin and stamp enthusiasts?

How'd the astronaut in diapers get involved?

Why does Serge have to stop at the NASCAR superstore?

Where did all these diamonds come from? And does Lynyrd Skynyrd hold the key to everything?

It all starts with a tragic tattoo parlor mishap and soon nobody is safe, especially the person on the Robert De Niro stool, because, after all, Serge has to sit there or what's the point of life?

But wait! You say you want more? Serge says, You got it!

Guns, drugs, bloody crime scenes, historically relevant sex, library quiet time, glow?in?the dark deformities, hotel drink coupons, a naked woman in a shark cage, and John Travolta.

It's time to sign on with Serge and see where the twisting, sun?splashed trail leads in . . . *Nuclear Jellyfish!*
