Pet Sematary By Stephen King

AN ADAPTION BY BBC RADIO BASED ON STEPHEN KING'S *PET SEMATARY*

A Fully-Dramatized Multi-Voice Presentation

Dr. Louis Creed and his wife Rachel chose rural Maine to settle his family and bring up their children. It was a better place than smog-covered Chicago -- or so he thought. But that was before he became acquainted with the old pet burial ground located in the backwoods of the quiet community of Ludlow.

The place has a power -- it seeps into your dreams and you wake up sweating with fear. It is a place that strikes dread into the lives of all who share its secrets.

A fully dramatized BBC presentatin of one of Stephen King's most famous bestsellers, *PET SEMATARY* is a masterpiece of the macabre and an unforgettable audio experience!

Editorial Review

Amazon.com Review

Renowned for its superior productions, BBC radio may have outdone itself by adapting Stephen King's *Pet Sematary* to audio. A clamorous cacophony of talking, whining, whistling, and howling, *Pet Sematary* is a quick, entertaining earful for those who don't have other auditory distractions to contend with, such as a car full of talking whining, whistling, howling children. However, the melodramatic prose marries well with the acting; such is the case when one reader--whose voice bears an uncanny resemblance to Kramer's from *Seinfeld*--tells another about the effects of the *Pet Sematary*: "Heroin makes junkies feel good when they put it in their arms, but all the time it's poisoning their mind and body--this place can be like that and don't you ever forget it!" (Running time: three hours, two cassettes)

From Library Journal

In this BBC dramatization of King's (Wizard and Glass, Audio Reviews, LJ 2/15/98) 1983 best seller, Dr. Louis Creed moves his ideal family from congested, urban Chicago to the rural simplicity of Ludlow, ME. His property sits near a long-established pet burial ground and a mysterious Indian burial ground from which the dead can be raised. The program effectively draws us into the characters' world: marriage and family, then shock, grief and madness as we explore the nature and mystery of death. Presenting a multivoiced dramatization rather than a reading of the novel, the actors work together, with added music and sound effects, to create King's macabre world. Recommended. ?Kristen L.
