### **The Aftermath** By Anna J.

If you thought having a threesome could wreak havoc on a relationship, Monica from My Woman His Wife is back to show you why even the mere thought of a menage a trois with your spouse and an outsider should never enter your imagination.

It's been three months since the Cinque household has been turned upside down by a sexual tryst gone terribly wrong. Although Jasmine and James are making moves to put their broken home and broken hearts back together, past lies and a lack of trust make it almost impossible to salvage what once was sacred. It's even harder with a conniving woman like Monica throwing salt in the wounds from the sidelines because she still hasn't gotten what she wants.

Old family secrets are revealed and half truths are exposed as marriage vows are put to the test, painful memories are relived, and revenge is at the top of everyone's list. Drama, betrayal, and lust are all found on the pages of Aftermath -- when once just isn't enough.
