**The Complete Idiot's Guide to Clear Thinking** By Joe LoCicero, Richard J. LoCicero M.D., Kenneth A. LoCicero Ph.D.

*Thinking is a skill ... here's how to master it!*

Every day, people are faced with problems to solve and decisions to make. And the best results come when they can think clearly—a skill that can be developed with the right guidance. This illuminating guide uses creativity, psychology, and physiology to show readers how to become great thinkers. Readers will learn how to make the most of their brains, from making informed choices and determining personal beliefs, to expressing oneself, exercising mental muscles, and keeping sharp.

-Aimed at everyone from school age to old age

-Includes mind teasers throughout—word problems, analogies, puzzles, and more—as well as points to ponder, age-old (and current) questions, and ideas that continue to warrant discussion
