### The Origins of the First World War (New Approaches to European History)

By William Mulligan

Providing a new interpretation of the origins of the First World War, this textbook synthesises recent scholarship and introduces the major historiographical and political debates surrounding the outbreak of the war. William Mulligan argues that the war was a far from inevitable outcome of international politics in the early twentieth century and suggests instead that there were powerful forces operating in favour of the maintenance of peace. His fresh perspective on the pre-war international system takes account of new approaches to the study of international politics since the end of the Cold War and the acceleration of globalisation. Thematic chapters examine key issues, including the military, public opinion, economics, diplomacy and geopolitics, and analyse relations between the great powers, the role of smaller states, the disintegrating empires and the July crisis. This compelling account will significantly revise our understanding of diplomacy, political culture, and economic history from 1870 to 1914.

### **Editorial Review**

#### **Review**

"Excellent book ... teems with compelling insights and arresting arguments." -Australian Literary Review, Jeffrey Grey

"This is a cogent, finely presented reinterpretation of the origins of the Great War drawing on a large amount of recent scholarship." -Len Shurtleff, Stand To!, The Journal of the Western Front Association

"One must congratulate the author for this excellent work." -Anatol Schmied-Kowarzik, H-Net

"In this refreshing study, Mulligan reevaluates the era after 1871, emphasizing the Great Powers' peaceful coexistence during a long period of strategic balance. Recommended." -Choice

#### **About the Author**

William Mulligan is a lecturer in the School of History and Archives, University College Dublin. He is the author of *The Creation of the Modern German Army* (2005).

### **Users Review**

#### **From reader reviews:**

##### **Tod Espitia:**

As people who live in typically the modest era should be upgrade about what going on or details even knowledge to make these individuals keep up with the era which can be always change and make progress. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know which one you should start with. This *The Origins of the First World War (New Approaches to European History)* is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

##### **Aimee Nguyen:**

A lot of people always spent their particular free time to vacation or go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. If you would like try to find a new activity this is look different you can read a new book. It is really fun for yourself. If you enjoy the book that you simply read you can spent the entire day to reading a guide. The book *The Origins of the First World War (New Approaches to European History)* it is quite good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. When you did not have enough space to bring this book you can buy the e-book. You can m0ore simply to read this book from the smart phone.
