## Twentieth Century Literary Criticism: A Reader By David Lodge

*Twentieth Century Literary Criticism* is a major anthology of key representative works by fifty leading modern literary critics writing before the structuralist revolution. It is a companion volume to *Modern Criticism and Theory* (Longman 1988), also edited by David Lodge, which anthologises contemporary criticism as it has developed through structuralism and post-structuralist theory. Together these volumes provide the most comprehensive survey available of traditional and radical literary theory in action.
