Adobe Muse CC Classroom in a Book (2nd Edition) By Brian Wood

Learn Adobe Muse CC from the ground up and create responsive websites using the latest web standards without writing any code. Start by planning your project using a site map and master pages. Design your responsive pages and add interactivity through buttons, links, widgets, and much more, testing your design across various screen sizes along the way. Finally, publish your site via Adobe Hosting (Business Catalyst) or standard web hosting, and learn how to export optimized web content (HTML, etc.).

The fastest, easiest, most comprehensive way to learn Adobe Muse CC Classroom in a Book®, the best-selling series of hands-on software training workbooks, offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts.

Adobe Muse CC Classroom in a Book contains 11 lessons that cover the basics and beyond, providing countless tips and techniques to help you become more productive with the program. You can follow the book from start to finish or choose only those lessons that interest you.

Purchasing this book includes valuable online extras. Follow the instructions in the book's "Getting Started" section to unlock access to:

- Downloadable lesson files you need to work through the projects in the book
- Web Edition containing the complete text of the book, interactive quizzes, videos that walk you through the lessons step by step, and updated material covering new feature releases from Adobe

Editorial Review

About the Author

Brian Wood is a web developer and the author of twelve books and numerous training titles covering Adobe products such as Muse, Dreamweaver, InDesign, Illustrator, and more. In addition to training many clients, including Nordstrom, REI, Boeing, Starbucks, Nintendo, and many others, Brian speaks regularly at national conferences, such as Adobe MAX, HOW Design, and HOW Interactive, as well as events hosted by AIGA and other industry organizations. He has also written articles for SmashingMagazine.com, Peachpit.com, CreativePro.com, Adobe Inspire magazine, and more. Brian has a YouTube channel at youtube.com/askbrianwood.com and a corporate training site at BrianWoodTraining.com.

Users Review

From reader reviews:

David Robinson:

What do you about book? It is not important with you? Or just adding material when you really need something to explain what the one you have problem? How about your spare time? Or are you busy man? If you don't have spare time to complete others business, it is make you feel bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question since just their can do that will. It said that about e-book. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need this specific Adobe Muse CC Classroom in a Book (2nd Edition) to read.

Tonya Deschamps:

The particular book Adobe Muse CC Classroom in a Book (2nd Edition) will bring you to the new experience of reading any book. The author style to elucidate the idea is very unique. In case you try to find new book to study, this book very acceptable to you. The book Adobe Muse CC Classroom in a Book (2nd Edition) is much recommended to you to learn. You can also get the e-book in the official web site, so you can easier to read the book.

Elizabeth Bello:

Playing with family inside a park, coming to see the coastal world or hanging out with friends is thing that usually you could have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Adobe Muse CC Classroom in a Book (2nd Edition), you may enjoy both. It is fine combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout folks. What? Still don't buy it, oh come on its referred to as reading friends.

Paul Herbert:

Does one one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Try and pick one book that you just dont know the inside because don't ascertain book by its handle may doesn't work the following is difficult job because you are scared that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer can be Adobe Muse CC Classroom in a Book (2nd Edition) why because the great cover that make you consider with regards to the content will not disappoint a person. The inside or content is definitely fantastic as the outside or even cover. Your reading sixth sense will directly show you to pick up this book.
