Baryshnikov: In Black and White By *Mikhail Baryshnikov*

The only collection of photographs documenting the last three decades of Mikhail Baryshnikov's brilliant career.

Universally acknowledged as the most celebrated artist in the dance world (*Time* magazine proclaimed him 'the greatest living dancer') *Mikhail Baryshnikov's* defection from the Soviet Union in 1974, at the age of twenty-six, breathed new artistic freedom into an already astonishing career. Working with American Ballet Theatre (where he was Artistic Director for ten years), the New York City Ballet (with George Balanchine), and finally forming his own company in 1990 with Mark Morris, White Oak Dance Project, *Baryshnikov* has, over these past decades, changed the face of dance.

Baryshnikov in Black and White presents, in over 175 photographs, the remarkable breadth of his achievement between the years 1974 and 2000. From his legendary roles in the classic ballets *Giselle* and *Don Quixote*, to his work with some of the world's greatest contemporary choreographers, *Baryshnikov* is shown here in both rehearsal and performance. Captured by the leading dance photographers, his vitality and genius are evident on every page. With an inspired and richly detailed essay by the *New Yorker* dance critic (and *Baryshnikov* biographer) Joan Acocella, a complete chronology of his roles, and extensive annotated captions, *Baryshnikov in Black and White* is the definitive book on his remarkable career in the West.

Editorial Review

Amazon.com Review

From the moment of his first, spectacular North American appearance--in 1974, at the age of 26--Mikhail Baryshnikov was viewed as one of ballet's great virtuosos. But few could guess that his experimental spirit would lead him from princely roles in the classics to trailblazing collaborations with modern dance choreographers. *Baryshnikov in Black and White* reveals key moments of the dancer's artistic evolution from 1974 to 2000 in more than 175 starkly expressive black-and-white photographs. Glimpses of performances with American Ballet Theatre, New York City Ballet, and the White Oak Dance Project join a few well-chosen studio rehearsal shots. They demonstrate Baryshnikov's enormous range, from the classical purity of *Apollo* to the improvisational *HeartBeat: mb*, from partnering Natalia Makarova to partnering a folding chair. Joan Acocella's introduction deftly and authoritatively sketches the dancer's career. Unfortunately, Robert Greskovic's annotated captions are segregated from the photos, requiring constant paging back and forth. --Cathy Curtis

Review

'This book documents one of the most remarkable stories in late twentieth-century dance: the vastness, the sheer, scaling ambition, of the repertory that Mikhail Baryshnikov undertook once he defected to the West.' - Joan Acocella

From the Publisher

Baryshnikov in Black and White presents, in over 175 photographs, the remarkable breadth of his achievement between the years 1974 and 2000. From his legendary roles in the classic ballets *Giselle* and *Don Quixote*, to his work with some of the world's greatest contemporary choreographers, Baryshnikov is shown here in both rehearsal and performance. Captured by the leading dance photographers, his vitality and genius are evident on every page. With an inspired and richly detailed essay by the *New Yorker* dance critic (and Baryshnikov biographer) Joan Acocella, a complete chronology of his roles, and extensive annotated captions, *Baryshnikov in Black and White* is the definitive book on his remarkable career in the West.

Users Review

From reader reviews:

Carlo Young:
