BOOKER - Dead Heat (Volume 6) By John W. Mefford

A new breed of killer has hit Dallas. The victims? They bleed blue. And the brotherhood is calling in the cavalry: one Booker T. Adams, PI. Excommunicated from the Dallas Police Department for refusing to overlook conduct unbefitting an officer, Booker has every reason to slam the door shut when the chief pleads for his assistance. But Booker can't turn his back on the community he's always felt drawn to protect, even if it means getting in bed with someone who tried to ruin his life. As pandemonium floods the city from the inside out, Booker chases an invisible plague. He can't stop what he can't see. And then the unthinkable happens. Another killing...and this one guts him. Driven by an eternal camaraderie he'd once shared with his long-time partner, Booker shifts into overdrive to end this sinister game, some sort of sick vigilante justice. A vengeful fury of his own takes hold. And the damned can hear him coming.

Editorial Review

About the Author

A veteran of the corporate wars, former journalist, and true observer of human and social behavior, bestselling author John W. Mefford has been writing novels since he first entered the work force twenty-five years ago, although he never put words on paper until late 2009. John writes novels full of intrigue, suspense, and thrills, but they also evoke an emotional connection with the characters. When he's not writing, he chases three kids around, slaves away in the yard, reads, takes in as many sports as time allows, watches all sorts of movies, and continues to make mental notes of people and societies across the land. John lives in Frisco, Texas with his beautiful wife, three opinionated kids, and a feisty fat cat who rules the world.

Users Review

From reader reviews:

Ila Petty:

What do you concerning book? It is not important along? Or just adding material when you want something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to perform others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above.
