Editorial Review

Review

"...an invaluable primary source and all in one splendid volume! It will be the standard source for many years to come." --**ZOOLOGICAL JOURNAL OF THE LINNEAN SOCIETY**

"The authors have accomplished the difficult task of writing a serious scientific work representing our current state of knowledge regarding this great beast and making it interesting, informative, and understandable to the lay public. It would be a welcome addition to any ocean enthusiast's library."

--**SCUBA DIVER**

"What distinguishes this important book is its scientific rigor in supplanting folklore with hard fact... Great White Sharks is a milestone work, lavishly illustrated with black and white plates, appendices and drawings... Clearly, the editors set out to produce a definitive work." --**MARINE WATCH**

"Beautifully illustrated with drawings and photographs." --**SURFER**

"This book...includes much that will interest the general public." --**COPEIA**
