## Harry Potter and the Chamber of Secrets By J.K. Rowling

In one of the most hotly anticipated sequel in memory, J.K. Rowling takes up where she left off with Harry's second year at the Hogwarts School of Witchcraft and Wizardry. Old friends and new torments abound, including a spirit named Moaning Myrtle who haunts the girls' bathroom, an outrageously conceited professor, Gilderoy Lockheart, and a mysterious force that turns Hogwarts students to stone.

## **Editorial Review**

### **Amazon.com Review**

It's hard to fall in love with an earnest, appealing young hero like Harry Potter and then to watch helplessly as he steps into terrible danger! And in J.K. Rowling's *Harry Potter and the Chamber of Secrets*, the much anticipated sequel to the award-winning *Harry Potter and the Sorcerer's Stone*, he is in terrible danger indeed. As if it's not bad enough that after a long summer with the horrid Dursleys he is thwarted in his attempts to hop the train to the Hogwarts School of Witchcraft and Wizardry to begin his second year. But when his only transportation option is a magical flying car, it is just his luck to crash into a valuable (but clearly vexed) Whomping Willow. Still, all this seems like a day in the park compared to what happens that fall within the haunted halls of Hogwarts.

Chilling, malevolent voices whisper from the walls only to Harry, and it seems certain that his classmate Draco Malfoy is out to get him. Soon it's not just Harry who is worried about survival, as dreadful things begin to happen at Hogwarts. The mysteriously gleaming, foot-high words on the wall proclaim, "The Chamber of Secrets Has Been Opened. Enemies of the Heir, Beware." But what exactly does it mean? Harry, Hermione, and Ron do everything that is wizardly possible--including risking their own lives--to solve this 50-year-old, seemingly deadly mystery. This deliciously suspenseful novel is every bit as gripping, imaginative, and creepy as the first; familiar student concerns--fierce rivalry, blush-inducing crushes, pedantic professors--seamlessly intertwine with the bizarre, horrific, fantastical, or just plain funny. Once again, Rowling writes with a combination of wit, whimsy, and a touch of the macabre that will leave readers young and old desperate for the next installment. (Ages 9 and older) --*Karin Snelson*

### **From School Library Journal**

Grade 3-8-Fans of the phenomenally popular *Harry Potter and the Sorcerer's Stone* (Scholastic, 1998) won't be disappointed when they rejoin Harry, now on break after finishing his first year at Hogwarts School of Witchcraft and Wizardry. Reluctantly spending the summer with the Dursleys, his mean relatives who fear and detest magic, Harry is soon whisked away by his friends Ron, Fred, and George Weasley, who appear at his window in a flying Ford Anglia to take him away to enjoy the rest of the holidays with their very wizardly family. Things don't go as well, though, when the school term begins. Someone, or something, is (literally) petrifying Hogwarts' residents one by one and leaving threatening messages referring to a Chamber of Secrets and an heir of Slytherin. Somehow, Harry is often around when the attacks happen and he is soon suspected of being the perpetrator. The climax has Harry looking very much like Indiana Jones, battling a giant serpent in the depths of the awesome and terrible Chamber of Secrets. Along with most of the teachers and students introduced in the previous book, Draco Malfoy has returned for his second year and is more despicable than ever. The novel is marked throughout by the same sly and sophisticated humor found in the first book, along with inventive, new, matter-of-fact uses of magic that will once again have readers longing to emulate Harry and his wizard friends.
