Editorial Review

From Library Journal

Some folks may be turned off by this tape because of Quivers's affiliation with The Howard Stern Show. If so, they'll miss the riveting story of a woman who survived in spite of abuse from both her parents, periodic bouts of depression, and self-doubt. Though Quivers does cover her relationship with Stern, most of the audiobook is devoted to her life outside of radio. There is discussion of the loss of her first love, a foster child she helped her parents to raise and subsequently wanted to adopt; her experience with a cult-like program; her years as a nurse; and how she managed to avoid a life of prostitution. Quivers gives a somewhat emotionless reading, but her detachment tends to draw the listener in. This is a wonderful recording that should find a home in all libraries. *?Danna C. Bell-Russel, District of Columbia P.L.*

From the Publisher

Robin Quivers, the outspoken co-host of Howard Stern's nationally syndicated radio and cable TV show (which attracts roughly 20 million listeners on radio alone) reveals for the first time the shocking facts of her abusive childhood while also providing us with a tantalizing peek at what life is really like behind the scenes at *The Howard Stern Show*.

From [AudioFile](#)

Robin Quivers a "shock-jock," is best known as co-host of Howard Stern's top-rated radio show. Quivers is both warmhearted and approachable as she exposes her most intimate secrets. Because of her radio talk-show experience, Quivers is a natural to narrate her memoirs. *B.J.P. (c)AudioFile, Portland, Maine*

Users Review

From reader reviews:

Shirley Gilliam:

What do you about book? It is not important along with you? Or just adding material when you require something to explain what you problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? Everyone has many questions above. They have to answer that question due to the fact just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is correct. Because start from on guardería until university need that Quivers: A Life to read.

Emanuel Douglas:

This Quivers: A Life book is not ordinary book, you have after that it the world is in your hands.
