The Holy Science By Swami Sri Yukteswar

2013 Reprint of 1949 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Yukteswar was an educator, astronomer, a Jyotisha (Vedic astrologer), a yogi, and a believer in the Bhagavad Gita and the Bible. He was a disciple of Lahiri Mahasaya of Varanasi and a member of the Giri branch of the swami order. Yogananda considered Yukteswar as Jnanavatar, or "Incarnation of Wisdom". Yukteswar wrote "The Holy Science" in 1894. In the introduction, he wrote: "The purpose of this book is to show as clearly as possible that there is an essential unity in all religions; that there is no difference in the truths inculcated by the various faiths; that there is but one method by which the world, both external and internal, has evolved; and that there is but one Goal admitted by all scriptures." The work introduced many ideas that were revolutionary for the time - for instance Yukteswar broke from Hindu tradition in stating that the earth is not in the age of Kali Yuga, but has advanced to Dwapara Yuga. His proof was based on a new perspective of the precession of the equinoxes. He also introduced the idea that the sun takes a 'star for its dual', and revolves around it in a period of 24,000 years, which accounts for the precession of the equinox.

Editorial Review

About the Author

(From the Preface to *Autobiography of a Yogi* by W.Y. Evans-Wentz, M.A., D.Litt., D.Sc., Jesus College, Oxford: Author and translator of many classic works on yoga and the wisdom traditions of the East, including *Tibetan Yoga and Secret Doctrines*, *Tibet's Great Yogi Milarepa*, and *The Tibetan Book of the Dead*.)

It has been my privilege to meet one of the sages whose life history is herein narrated Sri Yukteswar Giri....It was at Puri, in Orissa, on the Bay of Bengal, that I encountered Sri Yukteswar. He was then the head of a quiet *ashrama* near the seashore there, and was chiefly occupied in the spiritual training of a group of youthful disciples....Sri Yukteswar was of gentle mien and voice, of pleasing presence, and worthy of the veneration that his followers spontaneously accorded to him. Every person who knew him, whether of his own community or not, held him in the highest esteem. I vividly recall his tall, straight, ascetic figure, robed in the saffron-colored garb of one who has renounced worldly quests, as he stood at the entrance of the hermitage to give me welcome. His hair was long and somewhat curly, and his face bearded. His body was muscularly firm, but slender and well-formed, and his step energetic....I am glad, indeed, to be able to record this testimony to the high character and holiness of Sri Yukteswar. Content to remain afar from the multitude, he gave himself unreservedly and in tranquility to that ideal life which Paramahansa Yogananda, his disciple, has now described for the ages.

Users Review

From reader reviews:

James Edwards:

Reading a reserve tends to be new life style in this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Along with book everyone in this world can share their idea. Guides can also inspire a lot of people. A lot of author can inspire their own reader with their story or their experience. Not only the storyline that share in the books. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now.
