Vive en armonía! (Spanish Edition) By James Arthur Ray

La riqueza, dice el autor, esta al alcance de cualquiera dispuesto a abrazar una nueva realidad basada en la expansion y la integracion. A partir de los principios de la fisica cuantica, Ray nos ensena a poner el universo de nuestro lado, a crecer con el para atraer abundancia, bienestar y plenitud en todas las areas de la vida: financiera, social, mental, fisica y espiritual. Pero la Ley de la Atraccion, advierte, no consiste en sentarse a esperar. Desde una mentalidad practica y empresarial, la obra de James Arthur Ray distingue por primera vez entre saber y hacer, aportando asi la clave que faltaba: es necesario que los propios actos esten alineados con el pensamiento y el sentimiento. Ideado al modo de un taller de trabajo, Vive en armonia combina ejercicios practicos con lucidas y muy amenas reflexiones. Un tratado encantador, util y minucioso sobre como superar los propios limites para atraer autentica riqueza. / Harmonic Wealth will propel you to where you want to go. This practical, results-based book will help you to push beyond your self-imposed limitations and show you how to get past all the reasons you think you can't have what you want. Struggling to know what you want? That doesn't mean you're not perfect, it just means you're ready for a shift. And that's exactly why you picked up this book. The result of more than twenty years of study and practical application by World Thought Leader and featured expert for The Secret, James Ray's Harmonic Wealth is based on extensive study of ancient wisdom traditions, cutting-edge findings in quantum physics and other scientific fields, not to mention years of hands-on, hard-won experience. Let this sought-after teacher show you what he's discovered about the secrets of attracting more than you've ever thought possible.
