White Trash Zombie Gone Wild By Diana Rowland

Horror meets humorous urban fantasy in the fifth book in the White Trash Zombie series • Winner of the 2012 Best Urban Fantasy Protagonist by the RT Awards

Angel Crawford has buried her loser past and is cruising along in undead high gear—that is, until a murder-by-decapitation sends her on a hazardous detour. As Angel hunts for the killer, she uncovers a scheme that would expose zombies to the public and destroy the life she's built, and she's determined not to rest until she finds out who's behind it.

Soon she's neck-deep in lies, redneck intrigue, zombie hunters, and rot-sniffing cadaver dogs. It's up to her to unravel the truth and snuff out the conspiracy before the existence of zombies makes headline news and she's outed as a monster.

But Angel hasn't quite escaped the pill-popping ghosts of her past—not with an illicit zombie pharmaceutical at her fingertips. Good thing she's absolutely sure she can handle the drug's unpredictable side effects and still take down the bad guys...or maybe she's only one bad choice away from being dead meat—for real this time.

Angel knows a thing or two about kicking ass, but now the ass she needs to kick might be her own.

Editorial Review

Review

Praise for the White Trash Zombie series:

“Rowland is a hilarious writer, and her **White Trash Zombie series shines in a crowded genre.**”
—USA Today

“**An incredibly fun series, and a breath of fresh air in an increasingly crowded field....** While there's no denying that the basic premise is fascinating and entertaining, the real draw here is Angel's personal journey of growth and self-discovery.” —Tor.com

“Uber-talented Rowland takes a break from her Demon series to produce a wonderful story with a zombie heroine who is endearing and engaging. This unique twist on a coming-of-age story explores a young woman's journey toward self-acceptance in the face of long odds. **Throw in the need for brains and a nasty serial killer and presto—you have the recipe for a terrific read!**” —RT Book Reviews

“**An intriguing mystery and a hilarious mix of the horrific and mundane aspects of zombie life** open a promising new series from Rowland.... Humor and gore are balanced by surprisingly touching moments as Angel tries to turn her (un)life around.” —Publishers Weekly

“Rowland's delightful novel jumps genre lines with **a little something for everyone—mystery, horror, humor, and even a smattering of romance.** Not to be missed—all that's required is a high tolerance for gray matter. For true zombiephiles, of course, that's a no brainer.” —Library Journal

“Blending very mild horror, humor and mystery, I was hooked from the start. **Both urban fantasy and zombie fans will enjoy this highly entertaining novel.** Full of suspense, drama, and several surprising twists, this is one zombie story I couldn't get enough of.” —Sci Fi Chick

“Angel will make you laugh out loud, and she will also make you come close to losing your lunch. After all, these are creatures that suck down pureed brains for a pick-me-up.... **Angel is a distinct character, and she has grown through the series.**” —Kings River Life Magazine

“**Equally gross and heartwarming, disgusting and riveting,** *My Life as a White Trash Zombie* is a clever read. If you like to see a flawed heroine pull herself back up, and can handle visceral imagery, it's a brilliant book. Fans of Carolyn Crane, Stacia Kane and Allison Pang will dig on this one. Big time.” —Vampirebookclub.net
