Editorial Review

From the Publisher

A delight to possess and as colorful and glittering as the gemstones themselves. Laden with facts and details relating to gems. Whether it is the color plates of the gemstones or the text that wins is tough to decide-but worth every bit of the price.

Users Review

From reader reviews:

Jean McFerren:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each reserve has different aim or goal; it means that publication has different type. Some people truly feel enjoy to spend their the perfect time to read a book.
