**Crime and Policing in Rural and Small-Town America** By Ralph A. Weisheit, David N. Falcone, L. Edward Wells

While most researchers see the urban setting as being the only laboratory for studying crime problems throughout the United States, *Crime and Policing in Rural and Small-Town America* directly challenges this notion with an authoritative look at crime and the criminal justice system in rural America today. The assumption that rural crime is rare and comparable across various communities has led to incompatible theories and irrelevant practices. In order to transform this misconception, the Third Edition offers a clear outline of the definition of rural and provides a vital argument for why rural and small-town crime should be studied more than it is. The book also explores the individual nature of issues that emerge in these communities, including illegal drug production, domestic violence, agricultural crimes, rural poverty, and gangs, in addition to the training needs of rural police, probation in rural areas, and rural jails and prisons. Responding to rural crime requires an awareness of its context and how justice is carried out, as well as an appreciation of how features vary across rural areas. Understanding the relationships among crime, geography, and culture in the rural setting can reveal useful ideas and implications for crime and justice in communities across the United States.

**Alice Navarro:**

Spent a free time to be fun activity to try and do! A lot of people spent their down time with their family, or all their friends. Usually they carrying out activity like watching television, going to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? Can be reading a book might be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to test look for book, may be the book untitled Crime and Policing in Rural and Small-Town America can be good book to read. May be it could be best activity to you.

**Ernest Poole:**

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Crime and Policing in Rural and Small-Town America can make you experience more interested to read.
