**Even When You Lie to Me** By Jessica Alcott

**A steamy debut about a love off limits, and lines destined to be crossed—with the wit of John Green and the heart of Sarah Dessen.**

Tom Drummond is the perfect guy. He reads the classics. He tells the wittiest jokes. Best of all, he actually likes Charlie. And for a girl used to being caught in the shadow of her best friend, Drummond's spotlight warms Charlie in a way she never thought possible. But as their relationship grows closer, there's one detail that remains impossible to forget: Mr. Drummond is her teacher.

“Jessica Alcott’s writing is like a very personal glimpse into your own adolescent diary. Raw, uncomfortable, but still often hilarious.” –Harried Reuter Hapgood, author of *The Square Root of Summer*

“The witty repartee among characters is reminiscent of the dialogue in John Green’s novels or a *Gilmore Girls* episode.” –*School Library Journal*

“Perfect for fans of Sarah Dessen.” –*Booklist*

### Editorial Review

From School Library Journal

Gr 10 Up—Charlie is dreading her senior year. Introverted, not traditionally pretty, and a bit of a bookworm, she has her sights set on life after high school. In fact, Charlie has applied early decision to Oberlin College. Her ever-loyal best friend, Lila, has become popular overnight, throwing Charlie's social inadequacies into sharper contrast. Mr. Drummond, her new English teacher, is the only bright spot in her life. He's young, super-friendly, and seems to get her. When Charlie's Type-A mother insists that she participate in an extracurricular activity, the girl joins the school newspaper, newly revived by Mr. Drummond. Charlie develops an intense and all-consuming crush on him, fueled by their time working on the newspaper together and discussing books in and out of class. Mr. Drummond is friendly to everyone, but Charlie senses that there is something different about his feelings for her. Alcott pushes the boundaries in this exploration of a taboo student-teacher relationship. Charlie's sexual thoughts and desires are candidly and honestly depicted. Complex emotional content is handled tactfully and sensitively. Additionally, all of Alcott's characters are well developed, from Charlie's parents to the Indian American twins in her English class, who befriend her. All have distinct personalities and motivations, adding to the realistic atmosphere the author has created. The witty repartee among characters is reminiscent of the dialogue in John Green's novels or a *Gilmore Girls* episode—although slightly improbable at times, it never fails to entertain. VERDICT A cutting-edge exploration of a thorny topic, this is a wonderful debut novel.—Ragan O'Malley, Saint Ann's School, Brooklyn, NY

### About the Author

Jessica Alcott lives with her husband and their two cats. She graduated from Bennington College and has worked at a children's publisher in the UK. *Even When You Lie to Me* is her first novel. ### Users Review

#### From reader reviews:

##### **Jackson Cabrera:**

The book Even When You Lie to Me can give more knowledge and also the precise product information about everything you want. Why then must we leave a very important thing like a book Even When You Lie to Me? A number of you have a different opinion about reserve. But one aim that book can give many information for us. It is absolutely appropriate. Right now, try to closer with your book. Knowledge or facts that you take for that, you may give for each other; you are able to share all of these. Book Even When You Lie to Me has simple shape however, you know: it has great and big function for you. You can search the enormous world by available and read a book. So it is very wonderful.

##### **Susan Swain:**

This Even When You Lie to Me book is absolutely not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is actually information inside this guide incredible fresh,

you will get facts which is getting deeper anyone read a lot of information you will get. That Even When You Lie to Me without we comprehend teach the one who looking at it become critical in considering and analyzing. Don't become worry Even When You Lie to Me can bring if you are and not make your tote space or bookshelves' turn out to be full because you can have it in the lovely laptop even phone. This Even When You Lie to Me having great arrangement in word as well as layout, so you will not experience uninterested in reading.

**Terri Mitchell:**

People live in this new time of lifestyle always aim to and must have the free time or they will get lot of stress from both day to day life and work. So , when we ask do people have time, we will say absolutely yes. People is human not really a robot. Then we ask again, what kind of activity are there when the spare time coming to you actually of course your answer will unlimited right. Then do you try this one, reading ebooks. It can be your alternative with spending your spare time, the actual book you have read is definitely Even When You Lie to Me.

**Charles Adams:**

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Even When You Lie to Me can make you truly feel more interested to read.
