**Japanese Hiragana & Katakana for Beginners: First Steps to Mastering the Japanese Writing System (CD-ROM Included)** By Timothy G. Stout

**The method that's helped thousands in the U.S. and Japan learn Japanese successfully.**

The Japanese language has two basic writing systems, hiragana and katakana, in addition to the one that uses Chinese characters or Kanji. This handy book teaches you a new mnemonics-based method to read and write the basic 92 hiragana and katakana characters. Along with its sister book: *Japanese Kanji for Beginners* it provides a complete introduction to written Japanese.

- **Memorable picture mnemonics** help you to learn the characters by associating their shapes and sounds with combinations of images and English words already familiar to you.
- **Clear examples and entertaining exercises** offer opportunities to read, write, use and practice all 46 basic hiragana and 46 basic katakana characters, plus the remaining kana that stand for more complex sounds.
- **Polish your knowledge** with word searches, crossword puzzles, fill-in-the-blanks, timed recognition quizzes, and other interesting activities.
- **The CD-ROM** allows you to print out your own flash cards (featuring the same mnemonic images taught in the book) to help you review and practice, even while you're on the go.

### Editorial Review

#### Review

"As a whole I find this book to be a useful tool to learning the characters of both writing systems. I especially like the vocabulary usage at the bottom of each characters page...If you are looking for a book to get you started with Japanese I think this is a good place to start." —*BenLearnsJapanese.com* blog

#### About the Author

**Timothy G. Stout** lived in Japan for 20 years and has taught Japanese language for 23 years in public and private schools, and at the university level. While teaching at the American School in Japan he conducted research on the use of keyword mnemonics in the instruction of Japanese. Stout has a Doctorate in Education (EdD) from Utah State University, an M.A. in Japanese Pedagogy from Columbia University and a B.A. in Japanese Teaching from Brigham Young University. He currently teaches Japanese at Utah Valley University, and resides in Lehi, Utah with his wife and five children. Stout is the author of *Japanese Hiragana and Katakana for Beginners* and *Let's Learn Japanese*, both available from Tuttle.

### Users Review

#### From reader reviews:

##### Jared Williams:
