Promise Me Forever (Lost Lords Book 3) By Lorraine Heath

On the outside, Lauren Fairfield appears the very picture of cool, contained nobility and blueblood British sophistication. Inside, however, she longs for Tom, the charming rogue she loved—and lost.

Now a sinfully handsome would-be gentleman has arrived in London—and Lauren nearly swoons when she realizes it is her Tom, grown to magnificent manhood. He has come to claim his lost title as Earl of Sachse . . . and to fulfill an oath once made by two young lovers beneath a long-ago moon, a scandalous promise no proper lady would dare honor.

Lauren could never love a staid and stifling lord, and Tom's future is the aristocracy. So she will teach him their ways before she exits his life forever. But the wildness she adored still lives in Tom's heart—and he will not rest until he proves to the proud, resisting beauty that "forever" is a promise that *must* be kept

Editorial Review

About the Author

Lorraine Heath always dreamed of being a writer. After graduating from the University of Texas, she wrote training manuals, press releases, articles, and computer code, but something was always missing. When she read a romance novel, she not only became hooked on the genre, but quickly realized what her writing lacked: rebels, scoundrels, and rogues. She's been writing about them ever since. Her work has been recognized with numerous industry awards, including RWA's prestigious RITA®. Her novels have appeared on the *USA Today* and *New York Times* bestseller lists.
