The Last Dark: The climax of the entire Thomas Covenant Chronicles (Last Chronicles of Thomas Cove) By Stephen R. Donaldson

“It will take a long time for fans or critics to digest and appreciate Donaldson's almost 40-year achievement. But in time “The Chronicles of Thomas Covenant” will be seen as one of the self-defining works of the third millennium, our equivalent in scope and ambition of earlier epics and fantasies, from Virgil's “Aeneid” to Tennyson's “Arthurian Idylls” and Tolkien's “Lord of the Rings,” the last now a lifetime (Donaldson's own) in the past.” -The Wall Street Journal

Compelled step by step to actions whose consequences they could neither see nor prevent, Thomas Covenant and Linden Avery have fought for what they love in the magical reality known only as "the Land." Now they face their final crisis. Reunited after their separate struggles, they discover in each other their true power--and yet they cannot imagine how to stop the Worm of the World's End from unmaking Time. Nevertheless they must resist the ruin of all things, giving their last strength in the service of the world's continuance.

Editorial Review

From Publishers Weekly

The long-awaited 10th and concluding episode in Donaldson's sprawling epic of Thomas Covenant the Unbeliever (after *Against All Things Ending*) opens with Thomas gravely injured but cured of the malady of mind that had impeded his ability to save the Land. In the meantime, the Worm of the World's End and She Who Must Not Be Named have both been roused, and "the last crisis of Earth" is at hand. By the novel's end, Thomas, his wife, and her son will all have made extraordinary sacrifices to rebuild and redeem the Earth, following the collapse of the Arch of Time and the liberation of Lord Foul the Despiser. Although richly allegorical, the novel's great strength is the warm humanity of its characters, who distinguish themselves by repeatedly confronting and overcoming their personal frailties. Donaldson's fans will find this a fitting finale 36 years in the making. Agent: Howard Morhaim, Howard Morhaim Literary Agency. (Oct.)

From [Booklist](#)

After 35 years and nine previous installments, Donaldson wraps up the Chronicles of Thomas Covenant. Epic in scope, this fantasy series ends with an electrifying bang as sometime partners Thomas Covenant and Linden Avery, two tortured souls on a desperate mission to save the alternate world known as the Land, are reunited. Discovering that the power they wield together may be strong enough to defeat the Worm of the World's End, they continue on their quest as the action ratchets up to an appropriately explosive climax. Readers who have faithfully followed the exploits of Covenant and company may be sad, but they will not be disappointed as this masterful, mystical fantasy series concludes. --Margaret Flanagan

Review

"Although richly allegorical, the novel's great strength is the warm humanity of its characters, who distinguish themselves by repeatedly confronting and overcoming their personal frailties. Donaldson's fans will find this fitting finale 36 years in the making." --Publishers Weekly

Praise for FATAL REVENANT:

"Difficult but worthwhile, this complicated and emotional continuation of the Thomas Covenant saga is exactly what Donaldson's fans have been hoping for." --Publishers Weekly

Praise for THE RUNES OF THE EARTH:

"[A] landmark fantasy saga." --Entertainment Weekly

"A reawakening of a classic fantasy saga." --Library Journal

"A trilogy of remarkable scope and sophistication." --Los Angeles Times

"Startlingly original antiheroic fantasy resonating with echoes of both Tolkien and Philip K. Dick." --Publishers Weekly

"An epic with page-turning intrigue." --Detroit Free Press

"Impressive...filled with splendid inventions." --Booklist

"The most important and original work of epic fantasy after Tolkien...Rich in paradox, metaphor and symbolism...Donaldson's writing remains one of the most original and intellectually challenging works to

have graced contemporary epic fantasy.” --SF Site

"Donaldson has met [readers'] high expectations...you might utter at the book's end: 'I want the next book right now.'" --Detroit Free Press

"Fans can celebrate." --The Kansas City Sta

Praise for THE CHRONICLES OF THOMAS COVENANT:

"A feast for epic fantasy addicts." --Publishers Weekly

"The most original fantasy since THE LORD OF THE RINGS." --Time Out

"I don't think a books like this come along more than a few times in a lifetime." --Marion Zimmer Bradley
