## Anatomy in Black By Emily Evans

*Anatomy in Black* is a sophisticated coffee table book for anatomy lovers. It illustrates the beauty of human anatomy reflected in a contemporary hardback book, created entirely in black and gold. Traditional anatomical imagery is given a new lease of life through modern interpretation in this stylish publication.

The book comprehensively leads the reader through the human body in seven chapters dedicated to each area of the human body. It covers the same level of detail and content with each illustration as a standard academic anatomy book. A thorough evaluation of each anatomical part is conveyed in double page spreads with summary text to put the area in context and explain some of the more complicated anatomical terminology and function for those encountering anatomy for the first time.

This makes this book a perfect companion for those interested in anatomy, regardless of their previous knowledge of the subject matter.

### Editorial Review

#### From the Inside Flap

Anatomy in Black by Emily Evans, BSc (Hons.) Anatomy & Cell Biology PGCE MMAA RMIP, is a sophisticated coffee table book for anatomy lovers. It illustrates the beauty of human anatomy reflected in a contemporary hardback book, created entirely in black and gold. Traditional anatomical imagery is given a new lease of life through modern interpretation in this stylish publication. The book comprehensively leads the reader through the human body in seven chapters dedicated to each area of the human body. It covers the same level of detail and content with each illustration as a standard academic anatomy book. A thorough evaluation of each anatomical part is conveyed in double page spreads with summary text to put the area in context and explain some of the more complicated anatomical terminology and function for those encountering anatomy for the first time. This makes this book a perfect companion for those interested in anatomy, regardless of their previous knowledge of the subject matter.

#### About the Author

Following her degree in Anatomy and Cell Biology, Emily Evans: BSc (Hons.) Anatomy & Cell Biology PGCE MMAA RMIP trained and worked as a school science teacher in London. After retraining as a medical artist, and qualifying with the Medical Artists Association of Great Britain, Emily has been a freelance Medical Illustrator for the last 12 years and works from her studio in London, UK.

She has continued to teach throughout this time, at universities in both London and Cambridge.

Emily has been a Senior Demonstrator of Anatomy at Cambridge University for 9 years, teaching the medical students dissection and anatomy. Emily regularly holds demonstrations and talks about medical art and dissection. Alongside her commissioned artworks, Emily has her own projects and exhibitions reflecting anatomy through contemporary art. In a natural evolution of working on more collaborative anatomy and art projects, Emily launched her online store Anatomy Boutique in 2013 selling her own uniquely designed products inspired by anatomy.

### Users Review

#### From reader reviews:

##### Margie Sutton:

The e-book untitled Anatomy in Black is the book that recommended to you to see. You can see the quality of the publication content that will be shown to an individual. The language that creator use to explained their ideas are easily to understand. The article author was did a lot of exploration when write the book, therefore the information that they share to your account is absolutely accurate. You also might get the e-book of Anatomy in Black from the publisher to make you much more enjoy free time.

##### Ashley Downs:

Playing with family in a park, coming to see the coastal world or hanging out with friends is thing that usually you have done when you have spare time, subsequently why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller

coaster you are ride on and with addition info. Even you love Anatomy in Black, you may enjoy both. It is good combination right, you still wish to miss it? What kind of hangout type is it? Oh come on its mind hangout men. What? Still don't obtain it, oh come on its called reading friends.

**Mikel Davis:**

This Anatomy in Black is brand-new way for you who has interest to look for some information because it relief your hunger of information. Getting deeper you onto it getting knowledge more you know otherwise you who still having little digest in reading this Anatomy in Black can be the light food for yourself because the information inside this specific book is easy to get through anyone. These books develop itself in the form and that is reachable by anyone, that's why I mean in the e-book application form. People who think that in guide form make them feel drowsy even dizzy this reserve is the answer. So there isn't any in reading a guide especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the idea! Just read this e-book kind for your better life as well as knowledge.

**Ronald Cleary:**

Reading a guide make you to get more knowledge as a result. You can take knowledge and information from the book. Book is written or printed or outlined from each source that filled update of news. Within this modern era like right now, many ways to get information are available for you. From media social such as newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your understanding by that book. Ready to spend your spare time to open your book? Or just trying to find the Anatomy in Black when you required it?
