### Editorial Review

#### From School Library Journal

Grade 5-8—Readers are quickly drawn into this sequel to *Gregor the Overlander* (Scholastic, 2003), which concluded with Gregor and his toddler sister, Boots, returning from the Underland, an underground realm populated by humans and giant creatures. When Boots is kidnapped and taken back to the Underland, Gregor follows her to the city of Regalia, where he is reunited with Luxa and her wise grandfather. Vikus tells the boy of the "Prophecy of Bane," which foretold of Gregor's return to the land to find and fight a legendary white super-rat. The siblings are joined by Luxa and other humans, as well as giant talking bats and cockroaches, in the quest to find the Bane. As in the first book, the questers face adventure, danger, death, loss, and change on their journey, and the surprising conclusion leaves room for another sequel.

Interpersonal conflict and old enmities among the well-developed characters add depth, and the hazards and beauties of the subterranean Underland are fully realized and clearly presented. An urgent mood and a sense of impending danger are conveyed. This is a strong choice for fantasy fans, including reluctant readers, even if they're not familiar with Gregor's first adventure.—*Beth L. Meister, Yeshiva of Central Queens, Flushing, NY*

#### From [Booklist](#)

Gr. 4-8. In this exciting, fast-paced sequel to *Gregor the Overlander* [BKL O 15 03], 11-year-old Gregor and his little sister, Boots, return to the Underland to battle the evil giant rats, which have conspired to kill Boots in order to destroy Gregor, their primary obstacle to conquering all the Underland. To save his sister, Gregor sails across a subterranean sea with his bat and cockroach allies to find and kill the prophesied rat leader of the Underland war. Most of the action takes place on the water, including a memorable battle with a sea serpent, and there are plenty of suspenseful moments and exciting developments. Gregor, of course, is courageous, selfless, and ultimately triumphant. Readers unfamiliar with the first novel will be at a disadvantage; Collins assumes knowledge of the characters and developments from the first book. But fans will not be disappointed with this exciting, action-packed sequel, whose ending suggests more adventures to come. *Ed Sullivan*

#### Review

#### Praise for The Underland Chronicles

A *New York Times* Bestselling Series

A *USA Today* Bestselling Series

A *Book Sense* Bestselling Series

\*\*"Gregor's luminous, supremely absorbing quest takes place in a strange underground land. . . . Creature depictions are soulful and the plot is riveting. Wonderful." *-Kirkus Reviews*, starred review

\*\*"Collins does a grand job of world-building, with a fine economy of words. Unlike Gregor who cannot wait to leave, readers will likely find [the Underland] to be a fantastically engaging place." *-Publishers Weekly*, starred review

\*"[An] exceptional debut novel, a well-written, fast-moving, action-packed fantasy. [S]ure to be a solid hit with young fantasy fans." -*Booklist*, starred review

## Users Review

### From reader reviews:

#### Marlene Turner:

Nowadays reading books are more than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information.
