### Ice Cube: Attitude By Joel McIver

Few pioneers are philosophical, liberal, intelligent and violent all at the same time - but then there is only one Ice Cube. Rapper, actor, industry mogul and entrepreneur, the LA-born gangsta-rap founder has risen from the ranks of NWA - the 'most dangerous band in the world', as those who feared them claimed - to forge a solo career unlike any other. Cube is an outspoken critic of American society and government, and in his earliest, still-shocking hit with NWA (the infamous 'F\*\*k Tha Police') and his many solo hits, the rapper has never been afraid to voice his opinion. It's an unpredictable, epic tale and one which 'Ice Cube: Attitude' explores to the limit.
