Lilith - the First Eve By Siegmund Hurwitz

In a fascinating excursion though the history of her myth, Seigmund Hurwitz presents and interprets the ancient dark-winged goddess Lilth, aslo know as the first Eve. The authors extraordnary meticulous study of the original sources brings to light a stiking figure long lost from our awareness, yet highly relevant to a psychological understanding of today's evolving masculine and feminine identities. Case material from his analytical practice imbeds Lilith in the everyday problems of contemporary life. That an unbridled life-urge which refuses to be assimilated lies behind depression...seems to me to be a new and important discovery. By combining the experience of a comtemporaryman with this historical material, Seigmund Hurwitz sheds new light on both. - From the Foreword by Marie-Louise von Franz

Editorial Review

About the Author

Dr. Siegmund Hurwitz was a member of the innermost circle of C.G. Jung's so called Zurich school and he received his analytical training from Jung, Toni Wolff and Marie-Louise von Franz. He was long a scholar of Jewish mysticism and, with his gift for language, was often sought out by Jung and others when there were ancient texts to be consulted. Dr. Hurwitz published numerous articles and books over the course of his long lifetime, and he continues to maintain a small analytical practice in Zurich until his death in the Summer of 1994.
