## The Graduate By Charles Webb

'For twenty- one years I have been shuffling back and forth between classrooms and libraries. Now you tell me what the hell it's got me.' That's how Benjamin Braddock talked when he came down from university. Somehow it didn't seem to be what his father expected from a college education, and everyone was really appalled when Ben raped Mrs Robinson (that was her story anyway) and ran off with her daughter in the middle of her wedding to someone else... a brilliantly sordid tale of a young man's search for identity and a portrayal of the worst-behaved yet most sympathetic anti-hero of the day.

Charles Webb's 'The Graduate' was made famous by Dustin Hoffmann as the young student, Benjamin, who is seduced by an older woman.
