Editorial Review

From Publishers Weekly

Larger-than-life characters and a scenic setting add color to Welfonder's 14th-century romance, but the story's lack of historical detail will ultimately frustrate readers. Since her husband's death, Lady Caterine Keith has been forced to stand by as greedy Englishmen threaten her Scottish stronghold. To protect the castle from a royal edict, Caterine's sister, Linnet (the heroine of Welfonder's first novel, Devil in a Kilt), sends Caterine a prospective husband of the highest virtue-Sir Marmaduke Strongbow. Caterine grudgingly marries the scarred, English-born knight but refuses to offer him her heart because she was once raped by English soldiers and now hates any man with English blood. Marmaduke, however, fears Caterine really resists because of his appearance. Although Caterine's opposition to Marmaduke feels contrived, Welfonder pens some steamy scenes in which the two first use sex to bridge their differences and then continue giving into desire while the differences remain. In the end... readers will be left wondering how love finally prevailed and why it took so long.

Thrilling. Vibrant characters. Sensual. Ms. Welfonder spins pure magic. With writing like this, she is headed for super stardom! -- *Reader To Reader Reviews - Suzanne Coleburn*

About the Author

Sue-Ellen Welfonder is a Scotophile whose burning wish to make frequent trips to the land of her dreams led her to a twenty-year career with the airlines.

Now a full-time writer, she's quick to admit that she much prefers wielding a pen to pushing tea and coffee. She makes annual visits to Scotland, insisting they are a necessity, as each trip gives her inspiration for new books.

Proud of her own Hebridean ancestry, she belongs to two clan societies: the MacFie Clan Society and the Clan MacAlpine Society. In addition to Scotland, her greatest passions are medieval history, the paranormal, and dogs. She never watches television, loves haggis, and writes at a 450-year-old desk that once stood in a Bavarian castle.

Sue-Ellen is married and currently resides with her husband and Jack Russell terrier in Florida.

Users Review

From reader reviews:

Curtis Tyson:

Book is actually written, printed, or illustrated for everything. You can understand everything you want by a e-book. Book has a different type. As we know that book is important matter to bring us around the world. Beside that you can your reading proficiency was fluently. A reserve Bride of the Beast will make you to become smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think in which open or reading any book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you searching for best book or ideal book with you?

Mark Gibson:

This book untitled Bride of the Beast to be one of several books this best seller in this year, that is because when you read this book you can get a lot of benefit in it. You will easily to buy this kind of book in the book shop or you can order it by way of online. The publisher with this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smartphone. So there is no reason for your requirements to past this publication from your list.

Henry Carlino:

Often the book Bride of the Beast will bring someone to the new experience of reading a new book. The author style to elucidate the idea is very unique. If you try to find new book to see, this book very acceptable to you. The book Bride of the Beast is much recommended to you to learn. You can also get the e-book from the official web site, so you can quicker to read the book.

Maria Swensen:

Reading a publication tends to be new life style within this era globalization. With examining you can get a lot of information that can give you benefit in your life. Having book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Many author can inspire their reader with their story or their experience. Not only the story that share in the textbooks. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write for their book. One of them is this Bride of the Beast.
