Dead Men's Boots (Felix Castor) By Mike Carey

You might think that helping a friend's widow to stop a lawyer from stealing her husband's corpse would be the strangest thing on your To Do list. But life is rarely that simple for Felix Castor.

A brutal murder in King's Cross bears all the hallmarks of a long-dead American serial killer, and it takes more good sense than Castor possesses not to get involved. He's also fighting a legal battle over the body - if not the soul - of his possessed friend, Rafi, and can't shake the feeling that his three problems might be related.

With the help of the succubus Juliet and paranoid zombie data-fence Nicky Heath, Castor just might have a chance of fitting the pieces together before someone drops him down a lift shaft or rips his throat out.

Or not. . .

Editorial Review

From Publishers Weekly

Starred Review. Every bit as good as the better-known Jim Butcher, Carey hits his stride with his third hard-boiled supernatural thriller (after *Vicious Circle*). Felix Fix Castor, a London-based exorcist who uses music to fight evil spirits and other paranormal creatures, faces two major challenges. The burial of Fix's friend John Gittings is disrupted by a lawyer with a court order mandating that the corpse be cremated; Gittings's widow retains Fix to prevent the body's exhumation. Meanwhile, a woman asks Fix to clear her husband of rape and murder charges by proving that Myriam Seaforth Kale, a gangster who's been dead for 40 years, is actually responsible. While looking into how Kale has come back from the dead to resume killing people, Fix finds links to a larger threat from the dark side. Carey has a way with words (a character dresses like someone who'd taken *The Matrix* a little too seriously) as well as a gift for creating a plausible alternate reality. (*July*)

Review

"Carey transcends his comic roots in this quirky, dark and imaginative tale that compels readers to keep turning pages long after they should have gotten to sleep." (**Kirkus on THE DEVIL YOU KNOW (starred review)**)

"Ingeniously multilayered. Castor's wisecracking cleverness in the face of weird nemeses makes him the perfect hardboiled hero for a new supernatural noir series." (**Publishers Weekly on THE DEVIL YOU KNOW (starred review)**)

"It's Carey's knack for detail that draws you into this wicked world, and it becomes a feast for the senses." (**THE DECATUR DAILY on VICIOUS CIRCLE**)
