### Editorial Review

#### Review

"Durkheim was the most deliberate and the most penetrating theorist among the classical sociologists. Emirbayer's judicious selection of texts, matched with contemporary selections from among the best of modern sociology, shows how central Durkheimian themes have been in the increasing sophistication of sociological ideas through the end of the twentieth century, and beyond." *Randall Collins, University of Pennsylvania*

#### Review

"Durkheim was the most deliberate and the most penetrating theorist among the classical sociologists. #### From the Back Cover

Often described as 'the father of sociology', Emile Durkheim ranks among the most important and influential figures in modern social thought. This volume captures the enduring value and importance of Durkheimian sociology, focusing on the diverse points of view – theoretical, substantive, methodological, and even normative – which it uses to analyze modern life. The book includes selections from Durkheim's best-known writings as well as less widely-known texts that explore the themes of modern sociology.

This comprehensive volume ranges across the entire spectrum of sociological inquiry, as seen by Durkheim. It also includes secondary readings by social thinkers of today, connecting the classic writings of Durkheim to contemporary issues. A thorough introductory essay by a leading Durkheim scholar, as well as his first-rate organization of material, makes this the definitive collection by and about Durkheim and his work.

### Users Review

#### From reader reviews:

##### Keith McLeod:
