S/NVQ Level 3 Teaching Assistant's Handbook (S/NVQ Teaching Assistants) By Louise Burnham

This practical handbook contains information for candidates on the NVQ Teaching Assistants course or practitioners working alongside classroom teachers. It explores all the aspects of establishing relationships with children, supporting learning activities and managing behaviour. It should be valuable for students taking courses leading to teaching assistant awards, particularly the S/NVQ at level 3. "Keys to good practice" sections help develop candidates' skills for working with children in class, and interesting case studies check their understanding and relate learning to real-life situations. End-of-unit tests reinforce what has been covered in each area of the book and give students more confidence in their knowledge.
