Editorial Review

Review

"This will open us to other dimensions, which is a necessity if we are to first heal ourselves and then our planet." (Rhea A. White, *Exceptional Human Experience Network*)

"Barbara Hand Clow grabs hold of a very volatile mix of topics: politics, astrology, traditional religions, hard science, sex, and cutting-edge metaphysics. She wastes no time establishing the ground for this book: the future of our lives as conscious beings and the critical choice we face right now right here in our everyday lives. We can live as zombies or we can create powerful lives by choosing to exercise our free will in remembering who we are. . . . If you are willing to examine the beliefs creating your reality, this book offers an excellent challenge and opportunity, maybe even a sneak preview of our common future." (*Perceptions Magazine*)

"An uplifting message from a multidimensional mind. . . a document that will be talked about for hundreds of years." (John Major Jenkins, author of *Tzolkin: Visionary Perspectives and Calendar Studies*)

"An intriguing kaleidoscope of galactic interdimensional cosmology that offers an intimate overview of the star histories as they play themselves out in our current planetary judgment day. Fun and orgasm, photon belt initiations, whole scale nine-dimensional scripts--these and much more are on the menu channeled by Barbara Hand Clow in this, her encyclopedic magnum opus, *The Pleiadian Agenda*." (José and Lloydine Argüelles, initiators of *Harmonic Convergence*, cocreators of *Dreamspell*:)
