Editorial Review

From Library Journal

Returning to the themes of alchemy and wizardry he introduced in *The Return of Merlin* (LJ 7/95), perennially popular author Chopra here articulates a 20-step guide for discovering the wizard within and taking control of the spiritual journey of one's life. Beginning with the proclamation that the omniscient wizard is within all of us, Chopra uses a weird and eclectic combination of Zen koan, Jungian analysis, Hindu mythology, and alchemy to lead seekers in the way of the wizard. Chopra's thinking and writing is replete with the fuzzy mysticism and superficial spirituality that characterize his other works. Although Chopra's faithful followers will likely demand copies, the book is not recommended.

Chopra is big. His message about attaining joy and fulfillment by recognizing the mind-body connection has struck a chord that's reverberated beyond New Agers into the general public. Still, he basically has only one message, leaving him no choice but to try to jazz it up with each successive book. Recently, Chopra ventured into the world of fiction with mixed results. This time, he blends a bit of folklore into his "lessons" about 20 principles for reintroducing magic into one's life. Invoking the Camelot legends and using Arthur and Merlin (also the focus of his novel, *The Return of Merlin* [Je 1 & 15 95]) as metaphors for the eternal seeker and inner wisdom, Chopra gives readers the tools to find the enchantment in their own lives. He did this succinctly and plainly in his recent best-seller, *The Seven Spiritual Laws of Success* (1995); here, unfortunately, the jaunt through Camelot obscures the basic message rather than enhancing it. Nevertheless, Chopra is a brand name by now--demand will be heavy. *Ilene Cooper*

From the Inside Flap

The author of the acclaimed New York Times bestsellers *The Seven Spiritual Laws of Success* and *Ageless Body, Timeless Mind* now presents a guide to using spiritual alchemy for awakening the magic in everyday life.

Users Review

From reader reviews:

Rolanda Parker:
