### Editorial Review

From Publishers Weekly

It's not just a sure-fire formula that's kept the crown atop the queen of romance, as this thriller proves. The gushy love-conquers-all story of South Dakota wildlife biologist Lil Chance and ex-cop/PI Coop Sullivan takes a back seat to the taut, gritty chase of a serial killer. There's never a doubt that Lil and Coop—childhood sweethearts who fall in love, drift apart and then reconnect—will help each other mend their wounded hearts: It was a good day, she thought, when you opened yourself to both the joys and the risks of love, Lil discovers. Nor is it surprising that a crazed killer will meet his match in feisty Lil. But this premier storyteller proves an ordinary love story can still win your heart, and even an inevitable confrontation may scare you silly. (*July*)

Review

“A thrilling love story.”—*Midwest Book Review*

“This premier storyteller proves an ordinary love story can still win your heart, and even an inevitable confrontation may scare you silly.”—*Publishers Weekly*

“Another Roberts masterpiece...Once again, she creates compelling characters and produces a story that grabs your attention and doesn't let go until the last pages.”—*McClatchy-Tribune News Service*

“As in previous Roberts novels, well-fleshed-out characters add emotional punch to the action. The juxtaposition of animal and human predators eloquently points out where true viciousness lies. Twin love stories are beautifully woven throughout the gripping suspense. This is one of Roberts' best!”—*RT Book Reviews*
