Encyclopedia of an Ordinary Life: 1 By Amy Krouse Rosenthal

How do you conjure a life examined? Give the truest account of what you saw, felt, learned, loved, strived for?

For Amy Krouse Rosenthal, the surprising answer came in the form of an encyclopedia. In *Encyclopedia of an Ordinary Life* she has ingeniously adapted this centuries-old format for conveying knowledge into a poignant, wise, often funny, fully realized memoir. Using mostly short entries organized from A to Z, many of which are cross-referenced, Rosenthal captures in wonderful and episodic detail the moments, observations, and emotions that comprise a contemporary life. Start anywhere—preferably at the beginning—and see how one young woman's alphabetized existence can open up and define the world in new and unexpected ways.

An ordinary life, perhaps, but an extraordinary book.
