**Glimmer** By Beth Kery

**From the *New York Times* bestselling author of *Because You Are Mine*, a scorching new novel about forbidden desire...**

After graduating from her M.B.A. program, Alice Reed is surprised when she's recruited for the management training experience at legendary Camp Durand, owned by Durand Inc.'s young, billionaire CEO, Dylan Fall. The company usually recruits from Ivy League schools, not insignificant colleges like Alice's.

Alice enthusiastically accepts, but she still wonders why Dylan would choose a girl from the wrong side of the tracks for the prestigious program. But after a passionate encounter one night, she discovers exactly why—Dylan *wants* her, and Alice can hardly resist his fierce sexual appetites, though she is amazed that she could appeal to an experienced, sophisticated man like Dylan.

As Dylan introduces her to thrilling, erotic territory, Alice discovers a delicious new part of herself. Night after night, she steals away to find ecstasy and escape in Dylan's arms. But behind her lover's powerfully magnetic facade, Alice senses darkness, secrets from Dylan's past lurking in his beautiful, lonely mansion—secrets that are starting to haunt Alice. And the ghosts of the truth might tear Dylan and Alice apart forever . . .

#### From the Author

*Dear Reader,*

Thank you for the interest in GLIMMER, and its sequel GLOW. I think of Alice Reed's story as an erotic contemporary romance, true, but this tale also possesses an intriguing combination of suspense, a coming-into-one's own element, as well as a mysterious, eerie quality, at times. If that's not enough, I'd say there's a hint of modern-day Cinderella to Alice, as well. GLIMMER may just be that fresh, unique romance you've been craving. I hope so!

Beth

Then you are having problem with the book in comparison with can satisfy your limited time to read it because this time you only find guide that need more time to be read. Glimmer can be your answer as it can be read by an individual who have those short spare time problems.

**Amy Gutierrez:**

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Glimmer can make you sense more interested to read.
