Myrren's Gift: The Quickenning Book One By Fiona McIntosh

Destined by blood to command the Morgravian army, Wyl Thirsk assumes his awesome responsibility while barely a teenager when his father meets an early death -- a duty that calls him to the royal palace of Stoneheart and into the company of the crown prince Celimus. Already a spiteful and cruel despot who delights in the suffering of others, Celimus forces his virtuous new general to bear witness to his depraved "entertainments." But a kindness to a condemned witch in her final agonizing hours earns young Thirsk a miraculous bequest, at the same time inflaming the wrath of his liege lord.

With dread war looming in the north, Wyl must obey the treacherous dictates of Celimus and embark on a suicidal journey to the court of an ancient enemy -- armed with a strange and awesome secret that could prove both boon and curse. For unless he accepts Myrren's gift, it will surely destroy him . . . and the land he must defend as well.

Editorial Review

From Publishers Weekly

Fantasy fans will welcome Australian author McIntosh's gripping first installment in her Quickening trilogy, a tale of the eternal struggle between good and evil filled with magic, blood and jealousy. When 14-year-old Wyl Thirsk inherits the generalship of the Morgravian legions on his father's early death, he's fortunate to possess both the good habits and wise judgment that have helped the Thirsk family remain commanders of the legions for generations. These virtues will serve him well in his dealings with King Magnus of Morgravia's wayward son, Prince Celimus, whom Wyl is duty-bound to protect. After both boys achieve adulthood, the cruel Celimus orders Wyl to witness the torture and execution of a young woman, Myrren, accused of being a witch because she has mismatched eyes. Before her death, Myrren passes on to the empathetic Wyl a most unusual gift. Some readers may feel frustrated by the lack of information about Myrren or the purpose of her gift, though no doubt future volumes will fill in the gaps in an otherwise delightful and fast-moving story.

Review

McIntosh has assembled a wonderfully varied cast of royals, soldiers, and assassins for her swashbuckling tale... I can't wait for the next volume. STARBURST A very promising start to an engaging tale SFX [a] delightful and fast-moving story. Publishers Weekly It's a 'just one more chapter sort of book. Don't start reading MYRREN'S GIFT in the evening if you have to get up early the next morning!'

About the Author

Fiona McIntosh was born in Brighton, and has lived in England, Ghana and France. She currently resides in Adelaide, South Australia, with her husband and two sons.

Users Review

From reader reviews:

Matthew Venegas:
