Room Service By Amy Garvey

Welcome To Callender House

Olivia Callender needs a wake-up call. With a hundred-year-old hotel to rehabilitate, a staff of lovable eccentrics to marshal, and guests to keep happy, she has no one to blame but herself for daydreaming through the past few years--or her uncle's threat to take over the hotel.

And Rhys Spencer isn't helping. When the sexy British chef checked in, Olivia's common sense checked out. She doesn't have time to let him distract her, even if he is feeding her hottest fantasies. But the heat they create together is too much to resist, and when they spend a luscious night in his bed, Olivia truly wakes up for the first time--only to realize just what a mess her beloved hotel is. Throw in a pair of bumbling saboteurs, a cranky ex-ballerina, a gorilla costume, a lovesick writer, and tofurkey for fifty, and Olivia has her work cut out for her. All of which might be easier than convincing a certain brash Brit that he needs to wake up, too--and realize that he's hungry for her love. . .

"Garvey masters. . .the art of sexual tension touched with humor in all the right places." --*Romantic Times* on *I Love You to Death*

Editorial Review

About the Author

Amy Garvey is a former editor who now works on the other side of the desk as an author. She grew up reading everything she could get her hands on, watching too much TV, and wishing she was Samantha Stephens from Bewitched. (She still wishes that, actually.) She's always busy writing something (when she's not obsessively discussing TV's Supernatural with her friends online and thinking about cupcakes). Amy is also the author of Cold Kiss. She lives in West Chester, Pennsylvania, with her family.

Users Review

From reader reviews:

Ray Davis:

In this 21st millennium, people become competitive in each way. By being competitive today, people have to do something to make these individuals survive, being in the middle of typically the crowded place and notice by surrounding. One thing that sometimes many people have underestimated that for a while is reading. Yes, by reading a book your ability to survive improves then having chance to stand up than other is high. To suit your needs who want to start reading a book, we give you this specific Room Service book as beginner and daily reading book. Why, because this book is more than just a book.

Katie Phillips:

Now a day people that live in the era where everything is reachable by talking with the internet and the resources within it can be true or not need people to be aware of each facts they get. How people have to be smart in having any information nowadays? Of course the correct answer is reading a book. Reading a book can help folks out of this uncertainty. Information especially this Room Service book because this book offers you rich info and knowledge. Of course the details in this book hundred % guarantees there is no doubt in it as you know.

Wilbert Westerfield:

This book Room Service to be one of several books this best seller in this year, that's because when you read this publication you can get a lot of benefit upon it. You will easily buy this book in the book store or you can order it through online. The publisher with this book sells the e-book too. It makes you easier to read this book, because you can read this book in your Touch screen phone. So there is no reason to you to pass this e-book from your list.

Robert Caldwell:

Reading a publication tends to be new life style in this particular era globalization. With looking at you can

get a lot of information that can give you benefit in your life. Along with book everyone in this world could share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their reader with their story or maybe their experience. Not only the storyline that share in the publications. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on this planet always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this Room Service.
