The Devils of Loudun By Des Niau

This is an account of the possession of the nuns of Loudun. In 1634 the Ursuline nuns of Loudon were allegedly possessed by demons. This is one of the largest cases of mass possession in history. Father Urbain Grandier, a local priest, was interrogated under torture, convicted of being responsible for the possessions (as well as sorcery), and subsequently burned at the stake. This is a 19th century translation of the primary account of the episode, originally written in French by Des Niau in 1634.
